

Data Analyst Team Lead – Finance

Description

Our mission? Making day-to-day banking easier for SMEs and freelancers thanks to an online business account that's combined with invoicing, bookkeeping and spend management tools. Thanks to its innovative product, highly reactive 24/7 customer support and clear pricing, Qonto has become the leader in its market.

Our journey: Founded by [Alexandre](#) and [Steve](#) in July 2017, Qonto has rapidly gained trust, serving over 450,000 customers. Thanks to our wonderful team of 1,400+ Qontoers, we also made it to the [LinkedIn Top Companies](#) French ranking!

Our values: Customer focus | Prioritize customers in everything you do Ownership | Own your part, get things done Teamwork | Make (team)work easy Mastery | Continuously raise the bar Integrity | Always do what's right, and respect people

Our beliefs: At Qonto, we're committed to fostering a welcoming environment where everyone can thrive. We prioritize evaluating applicants based solely on skills and potential, ensuring diversity with 50% international team members, 44% women, and 20% parents. Join us in building a workplace that celebrates diversity and individuality.

At Qonto our Data department can proudly count more than 59 people, of whom 25 belong to the BI Data Analyst Team. Our highly skilled Data Analysts deliver high-quality products in a fast-paced environment with strong ownership while managing our ever-growing user base needs

Our Data analysts are real Business partners and are strongly connected with every department as they actively collaborate with them (Product, Growth, People, Finance, Ops, Website...) and have a strong impact on building new strategies for the company.

🔗🔗 Mission: Join us as a Data Analyst Team Lead to enhance our reporting and analytical capabilities and drive high-stakes decision-making processes. You will play a pivotal role in developing robust dashboards and delivering accurate, detailed ad-hoc analyses to our top-tier stakeholders.

🔗🔗🔗🔗🔗🔗 As a Data Analyst Team Lead at Qonto, you will:- Develop and maintain critical dashboards that drive strategic decisions,- Supervise ad-hoc analyses to provide insights on trends and outliers,- Ensure the highest data quality through top-notch KPI governance,- Lead and mentored a growing team of Data Analysts, fostering a culture of meticulous attention to detail and rigorous quality,- Collaborate closely with C-levels, providing actionable insights that influence major decisions.

🔗🔗 What you can expect: Team Environment: You'll join a robust team of experts in a supportive and learning-focused environment, ideal for professional growth. High Impact: Your work will directly influence major company decisions. Growth Opportunities: At Qonto, career progression is not just a possibility—it's a priority. Whether it's expanding your scope, diving deeper into complex projects, or transitioning roles within the organization, we support your career aspirations. Stakeholder Interaction: Engage with high-level executives and contribute directly to strategic planning and execution. Tools and Methodologies: Utilize cutting-edge tools and methodologies to deliver precise and impactful insights.

🔗🔗 About your future manager: Your direct supervisor will be Erwan, the incoming Head of BI. Erwan's management style is grounded in support and guidance, rather than micromanagement, providing you with the autonomy to innovate and the support to succeed.

🔗🔗 About You: Experience: Proven track record as a Data Analyst or similar role, with experience in leading teams, even if on a small scale. Skill in Detail-Oriented Analysis: Exceptional attention to detail and a commitment to delivering flawless
